WORK EXPERIENCE

Software Engineer I | Fox Valley Technical College | Appleton, WI

January 2025 – July 2025

- Engineered full-stack web applications for the National Criminal Justice Training Center (NCJTC) and Internet Crimes Against Children Task Force (ICAC), prioritizing security, accessibility (WCAG), and high performance.
- Developed responsive front-end features using JavaScript, jQuery, and SCSS, integrated with .NET Core, C#, and SQL Server back-ends.
- Optimized database performance and built REST APIs for seamless data processing and external service integration.
- Collaborated in Agile SCRUM teams to perform code reviews and resolve complex production issues, enhancing system reliability.

Operations Engineer, IT | Fox Valley Technical College | Appleton, WI

September 2024 – December 2024

- Resolved complex production issues for five .NET projects (v4.8 to 8.0), utilizing Domain-Driven Design (DDD) to improve stability.
- Performed root cause analysis and implemented optimized C# and MVC solutions, significantly reducing issue recurrence.
- Leveraged Azure DevOps and SQL Server for efficient project management and cross-functional team collaboration.
- Refined technical documentation and collaborated with end-users to align application improvements with business needs.

Software Developer Intern | Fox Valley Technical College | Appleton, WI

March 2024 – May 2024

- Developed web applications and APIs using C#, .NET Core, and MVC architecture within an Agile team environment.
- Supported Quality Assurance (QA) by monitoring deployments and conducting rigorous testing against business requirements.
- Gained expertise in API architecture, Design Patterns, and front-end technologies including HTML, CSS, and JavaScript.

Business Consultant Intern | BizSquad Internship, Fox Valley Technical College | Appleton, WI January 2024 – May 2024

- Collaborated with a multidisciplinary team to provide strategic business solutions, gaining hands-on experience in business consulting.
- Delivered strategic business solutions and project management for three distinct client projects using SCRUM guidelines.
- Analyzed client needs to develop tailored technical documentation and communication materials, enhancing community outreach.

IT Tutor | Fox Valley Technical College | Appleton, WI

January 2023 – May 2024

- Provided technical instruction in C#, C++, JavaScript, and SQL, helping students master complex programming concepts.
- Assisted in the Teaching and Learning Center, fostering problem-solving skills and academic growth in IT-focused coursework.

HONORS & ACTIVITIES

Phi Theta Kappa Academic Honor Society

- Wisconsin Top Student, All-USA Academic Team New Century Pathway Scholarship February 2024
- Coca-Cola Global Leaders of Promise Award August 2023
- Chapter Vice-President March 2023 – May 2024

Fox Valley Technical College

- Achievement Against the Odds Award April 2023
- IT College Club Parliamentarian September 2022 – January 2023

The Costa Rica United States Foundation for Cooperation (CRUSA)

- Dr. Ana Sittenfeld International Scholarship Program for Specialized Technicians September 2021
